These will be used to identify any risks and explore how they could be mitigated. Fairford and District u3a is aware that some venues used for meetings/events may already have their own risk assessment, these should be reviewed and where mitigations identified, ensure they are actioned. E.g. a venue may state that no more than 5 chairs should be stacked together and or nothing placed in the way of fire escapes. Where relevant, clear instructions and guidance should be provided to anyone who requires it. Further information, guidance and templates about risk assessments can be downloaded from the u3a website: www.u3a.org.uk/advice

Responding to accidents/incidents and dealing with emergencies

In the event of an incident/accident the Secretary of Fairford and District u3a (secretary@fairfordu3a.org.uk) should be informed as soon as appropriate. Where a u3a member is involved in an accident or incident whilst taking part in a u3a event Fairford and District u3a will ensure those who witnessed the event and were involved complete an incident report (template available to download from www.u3a.org.uk/advice). This must be completed and shared with those who need to have access to it and kept on file. It will also need to be shared with the insurers in the event of an insurance claim.

Lone volunteering

There may be occasions where u3a members may be carrying out activities for Fairford and District u3a on their own. For example, opening a venue for a meeting, setting up for a meeting etc. Where this occurs the u3a member should ensure someone else knows where they are and when they should be expected back. The u3a member should also know who to contact in the event of an incident or accident and ensure they have, for example, their mobile phone with them and avoid activities at height e.g. using a ladder.

Manual handling

All u3a members should think about manual handling in advance to avoid injury to themselves and others. Members should not carry out any manual handling tasks if they are not able to manage them and should ask for help from other Fairford and District u3a members.

Venues
